Subject: FW: Submission to the Low Pay Commission

Dear Sir/Madam,

I attach a copy of the Congress (ICTU) Submission to the Low Pay Commission on The National Minimum Wage.

The Communications Workers' Union (CWU) fully endorses the view expressed in this submission.

A significant portion of our membership earn just above the current minimum wage and we see, first hand, just how difficult it is for our members to live a life with dignity, hope and purpose in circumstances where many of life's opportunities are beyond their means.

The CWU looks forward to the Low Pay Commission giving careful consideration to the contents of this submission with a view to delivering a positive outcome for low paid workers that will provide them with a path way to the Living Wage.

Regards

Ian McArdle
Head of Organising and Regulatory Affairs
