

Hi. In regards to low pay, I am disabled with MS. I was a chef for over 30 years and from time to time I can work part time..mainly due to necessity as all I get is 202 a week including living alone allowance

As my employers know I am disabled they will only pay me minimum wage although I have over 30 years experience in catering.

This needs to be addressed or the disability allowance needs to be increased.

I have to pay €90 a week in rent out of my €202 as well as ridiculous car insurance. I may have to give up driving soon but I live in a rural area with no buses or public transport nearby.

A taxi at €10.00 one way is out cos after rent I've €112.00 a week to live on.

I know this will probably be ignored.

Regards.
